Re: Section 272(f)(1) Sunset of the BOC Separate Affiliate and Related Requirements, WC Docket No. 02-112

Dear Ms. Dortch:

The following is a correction and clarification to an ex parte filed on April 24, 2007<sup>1</sup>.

Effective **June 1, 2007**, The Woodbury Telephone Company (Woodbury) will cease to exist as a distinct corporate entity and its operations will be integrated into those of its sister affiliate company, The Southern New England Telephone Company (SNET) d/b/a AT&T Connecticut.<sup>2</sup>

As a result of this integration, Woodbury's membership in the National Exchange Carrier Association (NECA) will be terminated; however, SNET will continue to maintain its existing NECA membership. In addition, SNET's service offerings will be expanded to include the current Woodbury service area.<sup>3</sup> Therefore, Woodbury would cease to participate in NECA tariffs, effective June 1, 2007, and the provision and billing of services to customers in the former Woodbury service area will then be governed by the terms and conditions in SNET's federal and state tariffs.

<sup>1</sup> See Letter from Michelle Sclater, AT&T, to Marlene H. Dortch, FCC, WC Docket No. 02-112 (filed April 24, 2007).

<sup>2</sup> Woodbury has approximately 23,380 access lines in the Connecticut towns of Woodbury, Southbury and Bethlehem and portions of the towns of Roxbury and Oxford. Woodbury's line counts will represent one percent of SNET line counts.

<sup>3</sup> Woodbury will cease operating as an average schedule company and its operations will be integrated into SNET, a price cap carrier.
